[Approved by Governor September 30, 2008. Filed with
Secretary of State September 30, 2008.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2651, Aghazarian. Foster care, adoption, and dependent children.

Existing law, the California Community Care Facilities Act, provides for the licensure and regulation of community care facilities, including foster family homes and foster family agencies, by the State Department of Social Services.

Existing law requires a criminal record check of applicants for a license, special permit, or certificate of approval for a foster family home or certified family home, and other persons, including nonclients who reside in those homes and staff and employees. Existing law requires that an application be denied, unless the Director of Social Services grants an exemption, if it is found that the applicant or any of the other designated persons has been convicted of prescribed crimes.

Existing law also imposes criminal record and fingerprint check requirements for prospective adoptive parents, as specified.

This bill would, to the same extent required for federal funding, effective October 1, 2008, prohibit the director from granting an exemption where a foster care provider applicant or any of the other designated persons have been convicted of certain felonies at any time and other felonies in the previous 5 years. This bill would prohibit exemptions under these circumstances for foster care providers, as specified, in those homes where the individual has been convicted of murder or voluntary manslaughter. This bill, effective October 1, 2008, would similarly prohibit the department, or a licensed adoption agency or delegated county adoption agency from giving final approval for an adoptive placement in any home where the prospective adoptive parent or an adult living in the prospective home has been convicted of the felonies specified in the bill. This bill would make these prohibitions operative only to the extent that federal law requires the prohibition as a condition of federal funding.

Existing law requires a community care license to be forfeited by operation of law when the licensee moves a facility from one location to another.

This bill would provide that a licensed foster family home, a home certified by a licensed foster family agency, or a home approved by a social worker or county welfare department, as specified, shall not forfeit their license, certification, or approval when the facility is moved from one location to another. This bill would permit the existing license, certification, or approval to be transferred to the new facility location. The bill would require all caregivers to whom this license forfeiture exception applies to meet all applicable licensing laws and regulations at the new location.

Existing law requires certain individuals and agencies to report known or suspected incidents of child abuse and neglect to the Department of Justice. The department may disclose those reports only in specified circumstances, including to out-of-state agencies responsible for approving prospective foster or adoptive parents or relative caregivers.

Existing law requires the department to maintain an index of all reports of abuse and severe neglect submitted by agencies and found by the submitting agency to be not unfounded. Existing law requires this index to be made available to out-of-state agencies for the purpose of approving a prospective foster or adoptive parent or relative caregiver for placement of a child.

This bill would eliminate the authority of the department to disclose reports and make the index available to out-of-state agencies that are approving placement for prospective relative caregivers.

This bill would require out-of-state agencies to make their request for reports of abuse and severe neglect in compliance with federal law, as specified.

Existing law sets forth circumstances under which a minor may be adjudged a dependent child of the juvenile court, and establishes procedures to determine the temporary placement of a dependent child.

Existing law authorizes temporary placement of a dependent child in the home of an able and willing relative, or an able and willing nonrelative extended family member, upon completion of an assessment of the suitability of the relative or nonrelative extended family member by the county welfare department. Existing law also requires the county welfare department to initiate a criminal records check through the California Law Enforcement Telecommunications System before placing the child.

This bill would prohibit temporary placement of a child in the home of a person if the criminal records check shows that person has been convicted of a crime for which the Director of Social Services cannot grant an exemption with respect to foster family home and certified family home applicants.

This bill would also prohibit temporary placement of a minor child in the home of a person who has been convicted of a crime for which the director may grant an exemption unless a criminal records exemption has been granted by the county based on substantial and convincing evidence to support a reasonable belief that the person with the criminal conviction is of such good character as to justify the placement and not present a risk of harm to the child.

Existing law requires a county social worker to visit the home of a relative or prospective guardian who is not a licensed or certified foster parent, prior to placing the child in that home, to ascertain the appropriateness of the placement. Existing law also requires the court or county social worker to initiate a state and federal criminal records check through the California Law Enforcement Telecommunications System as part of their assessment.

This bill would prohibit placement of the child in the home of a person if the criminal records check indicates the person has been convicted of a crime that the Director of Social Services cannot grant an exemption for with respect to foster family home and certified family home applicants.

This bill would also prohibit placement of a child in the home of a person who has been convicted of a crime that the Director of Social Services may grant an exemption for unless a criminal records exemption has been granted by the county, based on substantial and convincing evidence, to support a reasonable belief that the person with the criminal conviction is of such good character as to justify the placement and not present a risk of harm to the child.

Under existing law, when a child has been placed in foster care out of state, the county social worker or a social worker on the staff of the social services agency in the state in which the child has been placed is required to visit the child in a foster family home or the home of a relative at least every 12 months and submit a report to the court regarding each visit.

This bill would, instead, require these duties to be performed in a manner consistent with federal law and in accordance with the department's approved state plan.

This bill would incorporate additional changes in Section 11170 of the Penal Code proposed by SB 1022 and AB 2618 that would become operative if this bill and one or both of the other bills are chaptered and become effective on or before January 1, 2009, and this bill is chaptered last.

To the extent this bill would impose additional duties on county welfare departments, this bill would create a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

SECTION 1. Section 8712 of the Family Code is amended to read:

8712. (a) The department or licensed adoption agency shall require each person filing an application for adoption to be fingerprinted and shall secure from an appropriate law enforcement agency any criminal record of that

person to determine whether the person has ever been convicted of a crime other than a minor traffic violation. The department or a licensed adoption agency may also secure the person's full criminal record, if any. Any federal-level criminal offender record requests to the Department of Justice shall be submitted with fingerprint images and related information required by the Department of Justice for the purposes of obtaining information as to the existence and content of a record of an out-of-state or federal conviction or arrest of a person or information regarding any out-of-state or federal crimes or arrests for which the Department of Justice establishes that the person is free on bail, or on his or her own recognizance pending trial or appeal. The Department of Justice shall forward to the Federal Bureau of Investigation any requests for federal summary criminal history information received pursuant to this section. The Department of Justice shall review the information returned from the Federal Bureau of Investigation and shall compile and disseminate a response to the department or a licensed adoption agency.

(b) Notwithstanding subdivision (c), the criminal record, if any, shall be taken into consideration when evaluating the prospective adoptive parent, and an assessment of the effects of any criminal history on the ability of the prospective adoptive parent to provide adequate and proper care and guidance to the child shall be included in the report to the court.

(c) (1) Under no circumstances shall the department or a licensed adoption agency give final approval for an adoptive placement in any home where the prospective adoptive parent or any adult living in the prospective adoptive home has either of the following:

(A) A felony conviction for child abuse or neglect, spousal abuse, crimes against a child, including child pornography, or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault and battery. For purposes of this subdivision, crimes involving violence means those violent crimes contained in clause (i) of subparagraph (A), and subparagraph (B), of paragraph (1) of subdivision (g) of Section 1522 of the Health and Safety Code.

(B) A felony conviction that occurred within the last five years for physical assault, battery, or a drug- or alcohol-related offense.

(2) This subdivision shall become operative on October 1, 2008, and shall remain operative only to the extent that compliance with its provisions is required by federal law as a condition of receiving funding under Title IV-E of the federal Social Security Act (42 U.S.C. 670 and following).

(d) Any fee charged by a law enforcement agency for fingerprinting or for checking or obtaining the criminal record of the applicant shall be paid by the applicant. The department or licensed adoption agency may defer, waive, or reduce the fee when its payment would cause economic hardship to prospective adoptive parents detrimental to the welfare of the adopted child, when the child has been in the foster care of the prospective adoptive parents for at least one year, or if necessary for the placement of a special-needs child.

SEC. 2. Section 8811 of the Family Code is amended to read:

8811. (a) The department or delegated county adoption agency shall require each person filing an adoption petition to be fingerprinted and shall secure from an appropriate law enforcement agency any criminal record of that person to determine whether the person has ever been convicted of a crime other than a minor traffic violation. The department or delegated county adoption agency may also secure the person's full criminal record, if any. Any federal-level criminal offender record requests to the Department of Justice shall be submitted with fingerprint images and related information required by the Department of Justice for the purposes of obtaining information as to the existence and content of a record of an out-of-state or federal conviction or arrest of a person or information regarding any out-of-state or federal crimes or arrests for which the Department of Justice establishes that the person is free on bail, or on his or her own recognizance pending trial or appeal. The Department of Justice shall forward to the Federal Bureau of Investigation any requests for federal summary criminal history information received pursuant to this section. The Department of Justice shall review the information returned from the Federal Bureau of Investigation and shall compile and disseminate a response to the department or delegated county adoption agency.

(b) Notwithstanding subdivision (c), the criminal record, if any, shall be taken into consideration when evaluating the prospective adoptive parent, and an assessment of the effects of any criminal history on the ability of the prospective adoptive parent to provide adequate and proper care and guidance to the child shall be included in the report to the court.

(c) (1) Under no circumstances shall the department or a delegated county adoption agency give final approval for an adoptive placement in any home where the prospective adoptive parent or any adult living in the prospective adoptive home has either of the following:

(A) A felony conviction for child abuse or neglect, spousal abuse, crimes against a child, including child pornography, or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault and battery. For purposes of this subdivision, crimes involving violence means those violent crimes contained in clause (i) of subparagraph (A), and subparagraph (B), of paragraph (1) of subdivision (g) of Section 1522 of the Health and Safety Code.

(B) A felony conviction that occurred within the last five years for physical assault, battery, or a drug- or alcohol-related offense.

(2) This subdivision shall become operative on October 1, 2008, and shall remain operative only to the extent that compliance with its provisions is required by federal law as a condition of receiving funding under Title IV-E of the federal Social Security Act (42 U.S.C. 670 and following).

(d) Any fee charged by a law enforcement agency for fingerprinting or for checking or obtaining the criminal record of the petitioner shall be paid by the petitioner. The department or delegated county adoption agency may defer, waive, or reduce the fee when its payment would cause economic hardship to the prospective adoptive parents detrimental to the welfare of the adopted child, when the child has been in the foster care of the

prospective adoptive parents for at least one year, or if necessary for the placement of a special-needs child.

SEC. 3. Section 8908 of the Family Code is amended to read:

8908. (a) A licensed adoption agency shall require each person filing an application for adoption to be fingerprinted and shall secure from an appropriate law enforcement agency any criminal record of that person to determine whether the person has ever been convicted of a crime other than a minor traffic violation. The licensed adoption agency may also secure the person's full criminal record, if any. Any federal-level criminal offender record requests to the Department of Justice shall be submitted with fingerprint images and related information required by the Department of Justice for the purposes of obtaining information as to the existence and content of a record of an out-of-state or federal conviction or arrest of a person or information regarding any out-of-state or federal crimes or arrests for which the Department of Justice establishes that the person is free on bail, or on his or her own recognizance pending trial or appeal. The Department of Justice shall forward to the Federal Bureau of Investigation any requests for federal summary criminal history information received pursuant to this section. The Department of Justice shall review the information returned from the Federal Bureau of Investigation and shall compile and disseminate a fitness determination to the licensed adoption agency.

(b) Notwithstanding subdivision (c), the criminal record, if any, shall be taken into consideration when evaluating the prospective adoptive parent, and an assessment of the effects of any criminal history on the ability of the prospective adoptive parent to provide adequate and proper care and guidance to the child shall be included in the report to the court.

(c) (1) Under no circumstances shall a licensed adoption agency give final approval for an adoptive placement in any home where the prospective adoptive parent or any adult living in the prospective adoptive home, has a felony conviction for either of the following:

(A) Any felony conviction for child abuse or neglect, spousal abuse, crimes against a child, including child pornography, or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault and battery. For purposes of this subdivision, crimes involving violence means those violent crimes contained in clause (i) of subparagraph (A), and subparagraph (B), of paragraph (1) of subdivision (g) of Section 1522 of the Health and Safety Code.

(B) A felony conviction that occurred within the last five years for physical assault, battery, or a drug- or alcohol-related offense.

(2) This subdivision shall become operative on October 1, 2008, and shall remain operative only to the extent that compliance with its provisions is required by federal law as a condition of receiving funding under Title IV-E of the federal Social Security Act (42 U.S.C. 670 and following).

(d) Any fee charged by a law enforcement agency for fingerprinting or for checking or obtaining the criminal record of the applicant shall be paid by the applicant. The licensed adoption agency may defer, waive, or reduce

the fee when its payment would cause economic hardship to the prospective adoptive parents detrimental to the welfare of the adopted child.

SEC. 4. Section 1522 of the Health and Safety Code is amended to read:

1522. The Legislature recognizes the need to generate timely and accurate positive fingerprint identification of applicants as a condition of issuing licenses, permits, or certificates of approval for persons to operate or provide direct care services in a community care facility, foster family home, or a certified family home of a licensed foster family agency. Therefore, the Legislature supports the use of the fingerprint live-scan technology, as identified in the long-range plan of the Department of Justice for fully automating the processing of fingerprints and other data by the year 1999, otherwise known as the California Crime Information Intelligence System (CAL-CII), to be used for applicant fingerprints. It is the intent of the Legislature in enacting this section to require the fingerprints of those individuals whose contact with community care clients may pose a risk to the clients' health and safety. An individual shall be required to obtain either a criminal record clearance or a criminal record exemption from the State Department of Social Services before his or her initial presence in a community care facility.

(a) (1) Before issuing a license or special permit to any person or persons to operate or manage a community care facility, the State Department of Social Services shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any other person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, of the Penal Code, subdivision (b) of Section 273a of the Penal Code, or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons, and subsequent arrest information pursuant to Section 11105.2 of the Penal Code.

(3) Except during the 2003–04, 2004–05, 2005–06, 2006–07, and 2007–08 fiscal years, neither the Department of Justice nor the State Department of Social Services may charge a fee for the fingerprinting of an applicant for a license or special permit to operate a facility providing nonmedical board, room, and care for six or less children or for obtaining a criminal record of the applicant pursuant to this section.

(4) The following shall apply to the criminal record information:

(A) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(B) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b) is awaiting trial for a crime

other than a minor traffic violation, the State Department of Social Services may cease processing the application until the conclusion of the trial.

(C) If no criminal record information has been recorded, the Department of Justice shall provide the applicant and the State Department of Social Services with a statement of that fact.

(D) If the State Department of Social Services finds after licensure that the licensee, or any other person specified in paragraph (1) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license may be revoked, unless the director grants an exemption pursuant to subdivision (g).

(E) An applicant and any other person specified in subdivision (b) shall submit fingerprint images and related information to the Department of Justice for the purpose of searching the criminal records of the Federal Bureau of Investigation, in addition to the criminal records search required by this subdivision. If an applicant and all other persons described in subdivision (b) meet all of the conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal offender record information search response for the applicant or any of the persons described in subdivision (b), the department may issue a license if the applicant and each person described in subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction, as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, the department determines that the licensee or any other person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1550. The department may also suspend the license pending an administrative hearing pursuant to Section 1550.5.

(F) The State Department of Social Services shall develop procedures to provide the individual's state and federal criminal history information with the written notification of his or her exemption denial or revocation based on the criminal record. Receipt of the criminal history information shall be optional on the part of the individual, as set forth in the agency's procedures. The procedure shall protect the confidentiality and privacy of the individual's record, and the criminal history information shall not be made available to the employer.

(G) Notwithstanding any other provision of law, the department is authorized to provide an individual with a copy of his or her state- or federal-level criminal offender record information search response as provided to that department by the Department of Justice if the department has denied a criminal background clearance based on this information and the individual makes a written request to the department for a copy specifying an address to which it is to be sent. The state- or federal-level criminal offender record information search response shall not be modified or altered from its form or content as provided by the Department of Justice and shall be provided to the address specified by the individual in his or her written request. The department shall retain a copy of the individual's written request and the response and date provided.

(b) (1) In addition to the applicant, this section shall be applicable to criminal convictions of the following persons:

(A) Adults responsible for administration or direct supervision of staff.

(B) Any person, other than a client, residing in the facility.

(C) Any person who provides client assistance in dressing, grooming, bathing, or personal hygiene. Any nurse assistant or home health aide meeting the requirements of Section 1338.5 or 1736.6, respectively, who is not employed, retained, or contracted by the licensee, and who has been certified or recertified on or after July 1, 1998, shall be deemed to meet the criminal record clearance requirements of this section. A certified nurse assistant and certified home health aide who will be providing client assistance and who falls under this exemption shall provide one copy of his or her current certification, prior to providing care, to the community care facility. The facility shall maintain the copy of the certification on file as long as care is being provided by the certified nurse assistant or certified home health aide at the facility. Nothing in this paragraph restricts the right of the department to exclude a certified nurse assistant or certified home health aide from a licensed community care facility pursuant to Section 1558.

(D) Any staff person, volunteer, or employee who has contact with the clients.

(E) If the applicant is a firm, partnership, association, or corporation, the chief executive officer or other person serving in like capacity.

(F) Additional officers of the governing body of the applicant, or other persons with a financial interest in the applicant, as determined necessary by the department by regulation. The criteria used in the development of these regulations shall be based on the person's capability to exercise substantial influence over the operation of the facility.

(2) The following persons are exempt from the requirements applicable under paragraph (1):

(A) A medical professional as defined in department regulations who holds a valid license or certification from the person's governing California medical care regulatory entity and who is not employed, retained, or contracted by the licensee if all of the following apply:

(i) The criminal record of the person has been cleared as a condition of licensure or certification by the person's governing California medical care regulatory entity.

(ii) The person is providing time-limited specialized clinical care or services.

(iii) The person is providing care or services within the person's scope of practice.

(iv) The person is not a community care facility licensee or an employee of the facility.

(B) A third-party repair person or similar retained contractor if all of the following apply:

(i) The person is hired for a defined, time-limited job.

(ii) The person is not left alone with clients.

(iii) When clients are present in the room in which the repair person or contractor is working, a staff person who has a criminal record clearance or exemption is also present.

(C) Employees of a licensed home health agency and other members of licensed hospice interdisciplinary teams who have a contract with a client or resident of the facility and are in the facility at the request of that client or resident's legal decisionmaker. The exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(D) Clergy and other spiritual caregivers who are performing services in common areas of the community care facility or who are advising an individual client at the request of, or with the permission of, the client or legal decisionmaker, are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care licensee or employee of the facility.

(E) Members of fraternal, service, or similar organizations who conduct group activities for clients if all of the following apply:

- (i) Members are not left alone with clients.
- (ii) Members do not transport clients off the facility premises.
- (iii) The same organization does not conduct group activities for clients more often than defined by the department's regulations.

(3) In addition to the exemptions in paragraph (2), the following persons in foster family homes, certified family homes, and small family homes are exempt from the requirements applicable under paragraph (1):

(A) Adult friends and family of the licensed or certified foster parent, who come into the home to visit for a length of time no longer than defined by the department in regulations, provided that the adult friends and family of the licensee are not left alone with the foster children. However, the licensee, acting as a reasonable and prudent parent, as defined in paragraph (2) of subdivision (a) of Section 362.04 of the Welfare and Institutions Code, may allow his or her adult friends and family to provide short-term care to the foster child and act as an appropriate occasional short-term babysitter for the child.

(B) Parents of a foster child's friend when the foster child is visiting the friend's home and the friend, licensed or certified foster parent, or both are also present. However, the licensee, acting as a reasonable and prudent parent, may allow the parent of the foster child's friend to act as an appropriate short-term babysitter for the child without the friend being present.

(C) Individuals who are engaged by any licensed or certified foster parent to provide short-term care to the child for periods not to exceed 24 hours. Caregivers shall use a reasonable and prudent parent standard in selecting appropriate individuals to act as appropriate occasional short-term babysitters.

(4) In addition to the exemptions specified in paragraph (2), the following persons in adult day care and adult day support centers are exempt from the requirements applicable under paragraph (1):

(A) Unless contraindicated by the client's individualized program plan (IPP) or needs and service plan, a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to the client.

(B) A volunteer if all of the following applies:

(i) The volunteer is supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(ii) The volunteer is never left alone with clients.

(iii) The volunteer does not provide any client assistance with dressing, grooming, bathing, or personal hygiene other than washing of hands.

(5) (A) In addition to the exemptions specified in paragraph (2), the following persons in adult residential and social rehabilitation facilities, unless contraindicated by the client's individualized program plan (IPP) or needs and services plan, are exempt from the requirements applicable under paragraph (1): a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to that client.

(B) Nothing in this subdivision shall prevent a licensee from requiring a criminal record clearance of any individual exempt from the requirements of this section, provided that the individual has client contact.

(6) Any person similar to those described in this subdivision, as defined by the department in regulations.

(c) (1) Subsequent to initial licensure, any person specified in subdivision (b) who is not exempted from fingerprinting shall obtain either a criminal record clearance or an exemption from disqualification pursuant to subdivision (g) from the State Department of Social Services prior to employment, residence, or initial presence in the facility. Any person specified in subdivision (b) who is not exempt from fingerprinting shall be fingerprinted and shall sign a declaration under penalty of perjury regarding any prior criminal convictions. The licensee shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state- and federal-level criminal offender record information search, or comply with paragraph (1) of subdivision (h). These fingerprint images and related information shall be sent by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice for the purpose of obtaining a permanent set of fingerprints, and shall be submitted to the Department of Justice by the licensee. A licensee's failure to prohibit the employment, residence, or initial presence of any person specified in subdivision (b) who is not exempt from fingerprinting and who has not received either a criminal record clearance or an exemption from disqualification pursuant to subdivision (g) or to comply with paragraph (1)

of subdivision (h), as required in this section, shall result in the citation of a deficiency and the immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548. The fingerprint images and related information shall then be submitted to the Department of Justice for processing. Upon request of the licensee, who shall enclose a self-addressed stamped postcard for this purpose, the Department of Justice shall verify receipt of the fingerprints.

(2) Within 14 calendar days of the receipt of the fingerprint images, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided for in subdivision (a). If no criminal record information has been recorded, the Department of Justice shall provide the licensee and the State Department of Social Services with a statement of that fact within 14 calendar days of receipt of the fingerprint images. Documentation of the individual's clearance or exemption from disqualification shall be maintained by the licensee and be available for inspection. If new fingerprint images are required for processing, the Department of Justice shall, within 14 calendar days from the date of receipt of the fingerprints, notify the licensee that the fingerprints were illegible, the Department of Justice shall notify the State Department of Social Services, as required by Section 1522.04, and shall also notify the licensee by mail, within 14 days of electronic transmission of the fingerprints to the Department of Justice, if the person has no criminal history recorded. A violation of the regulations adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. The department may assess civil penalties for continued violations as permitted by Section 1548.

(3) Except for persons specified in subdivision (b) who are exempt from fingerprinting, the licensee shall endeavor to ascertain the previous employment history of persons required to be fingerprinted. If it is determined by the State Department of Social Services, on the basis of the fingerprint images and related information submitted to the Department of Justice, that subsequent to obtaining a criminal record clearance or exemption from disqualification pursuant to subdivision (g), the person has been convicted of, or is awaiting trial for, a sex offense against a minor, or has been convicted for an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the State Department of Social Services shall notify the licensee to act immediately to terminate the person's

employment, remove the person from the community care facility, or bar the person from entering the community care facility. The State Department of Social Services may subsequently grant an exemption from disqualification pursuant to subdivision (g). If the conviction or arrest was for another crime, except a minor traffic violation, the licensee shall, upon notification by the State Department of Social Services, act immediately to either (A) terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility; or (B) seek an exemption from disqualification pursuant to subdivision (g). The State Department of Social Services shall determine if the person shall be allowed to remain in the facility until a decision on the exemption from disqualification is rendered. A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by this paragraph shall result in a citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day and shall be grounds for disciplining the licensee pursuant to Section 1550.

(4) The department may issue an exemption from disqualification on its own motion pursuant to subdivision (g) if the person's criminal history indicates that the person is of good character based on the age, seriousness, and frequency of the conviction or convictions. The department, in consultation with interested parties, shall develop regulations to establish the criteria to grant an exemption from disqualification pursuant to this paragraph.

(5) Concurrently with notifying the licensee pursuant to paragraph (3), the department shall notify the affected individual of his or her right to seek an exemption from disqualification pursuant to subdivision (g). The individual may seek an exemption from disqualification only if the licensee terminates the person's employment or removes the person from the facility after receiving notice from the department pursuant to paragraph (3).

(d) (1) Before issuing a license or certificate of approval to any person or persons to operate a foster family home or certified family home as described in Section 1506, the State Department of Social Services or other approving authority shall secure California and Federal Bureau of Investigation criminal history information to determine whether the applicant or any person specified in subdivision (b) who is not exempt from fingerprinting has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in subdivision (c) of Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated. The State Department of Social Services or other approving authority shall not issue a license or certificate of approval to any foster family home or certified family home applicant who has not obtained both a California and Federal Bureau of Investigation criminal record clearance or exemption from disqualification pursuant to subdivision (g).

(2) The criminal history information shall include the full criminal record, if any, of those persons.

(3) Neither the Department of Justice nor the State Department of Social Services may charge a fee for the fingerprinting of an applicant for a license, special permit, or certificate of approval described in this subdivision. The record, if any, shall be taken into consideration when evaluating a prospective applicant.

(4) The following shall apply to the criminal record information:

(A) If the applicant or other persons specified in subdivision (b) who are not exempt from fingerprinting have convictions that would make the applicant's home unfit as a foster family home or a certified family home, the license, special permit, or certificate of approval shall be denied.

(B) If the State Department of Social Services finds that the applicant, or any person specified in subdivision (b) who is not exempt from fingerprinting is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services or other approving authority may cease processing the application until the conclusion of the trial.

(C) For the purposes of this subdivision, a criminal record clearance provided under Section 8712 of the Family Code may be used by the department or other approving agency.

(D) To the same extent required for federal funding, an applicant for a foster family home license or for certification as a family home, and any other person specified in subdivision (b) who is not exempted from fingerprinting shall submit a set of fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state- and federal-level criminal offender record information search, in addition to the criminal records search required by subdivision (a).

(5) Any person specified in this subdivision shall, as a part of the application, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions or arrests for any crime against a child, spousal or cohabitant abuse or, any crime for which the department cannot grant an exemption if the person was convicted and shall submit these fingerprints to the licensing agency or other approving authority.

(6) (A) Subsequent to initial licensure or certification, any person specified in subdivision (b) who is not exempt from fingerprinting shall obtain both a California and Federal Bureau of Investigation criminal record clearance, or an exemption from disqualification pursuant to subdivision (g), prior to employment, residence, or initial presence in the foster family or certified family home. A foster family home licensee or foster family agency shall submit fingerprint images and related information of persons specified in subdivision (b) who are not exempt from fingerprinting to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state- and federal-level criminal offender record information search, or to comply with paragraph (1) of subdivision (h). A foster family home licensee's or a foster family agency's failure to either prohibit the employment, residence, or initial presence of any person

specified in subdivision (b) who is not exempt from fingerprinting and who has not received either a criminal record clearance or an exemption from disqualification pursuant to subdivision (g), or comply with paragraph (1) of subdivision (h), as required in this section, shall result in a citation of a deficiency, and the immediate civil penalties of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1550. A violation of the regulation adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the foster family home licensee or foster family agency pursuant to Section 1550. The State Department of Social Services may assess penalties for continued violations, as permitted by Section 1548. The fingerprint images shall then be submitted to the Department of Justice for processing.

(B) Upon request of the licensee, who shall enclose a self-addressed envelope for this purpose, the Department of Justice shall verify receipt of the fingerprints. Within five working days of the receipt of the criminal record or information regarding criminal convictions from the Department of Justice, the department shall notify the applicant of any criminal arrests or convictions. If no arrests or convictions are recorded, the Department of Justice shall provide the foster family home licensee or the foster family agency with a statement of that fact concurrent with providing the information to the State Department of Social Services.

(7) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b) who is not exempt from fingerprinting, has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption from disqualification pursuant to subdivision (g).

(8) If the State Department of Social Services finds after licensure or the granting of the certificate of approval that the licensee, certified foster parent, or any other person specified in subdivision (b) who is not exempt from fingerprinting, has been convicted of a crime other than a minor traffic violation, the license or certificate of approval may be revoked by the department or the foster family agency, whichever is applicable, unless the director grants an exemption from disqualification pursuant to subdivision (g). A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by paragraph (3) of subdivision (c) shall be grounds for disciplining the licensee pursuant to Section 1550.

(e) The State Department of Social Services may not use a record of arrest to deny, revoke, or terminate any application, license, employment, or residence unless the department investigates the incident and secures evidence, whether or not related to the incident of arrest, that is admissible in an administrative hearing to establish conduct by the person that may pose a risk to the health and safety of any person who is or may become a client. The State Department of Social Services is authorized to obtain any arrest or conviction records or reports from any law enforcement agency as necessary to the performance of its duties to inspect, license, and investigate community care facilities and individuals associated with a community care facility.

(f) (1) For purposes of this section or any other provision of this chapter, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the State Department of Social Services is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, when the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, notwithstanding a subsequent order pursuant to Sections 1203.4 and 1203.4a of the Penal Code permitting the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. For purposes of this section or any other provision of this chapter, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction. For purposes of this section or any other provision of this chapter, the arrest disposition report certified by the Department of Justice, or documents admissible in a criminal action pursuant to Section 969b of the Penal Code, shall be prima facie evidence of the conviction, notwithstanding any other provision of law prohibiting the admission of these documents in a civil or administrative action.

(2) For purposes of this section or any other provision of this chapter, the department shall consider criminal convictions from another state or federal court as if the criminal offense was committed in this state.

(g) (1) After review of the record, the director may grant an exemption from disqualification for a license or special permit as specified in paragraph (4) of subdivision (a), or for a license, special permit, or certificate of approval as specified in paragraphs (4), (7), and (8) of subdivision (d), or for employment, residence, or presence in a community care facility as specified in paragraphs (3), (4), and (5) of subdivision (c), if the director has substantial and convincing evidence to support a reasonable belief that the applicant and the person convicted of the crime, if other than the applicant, are of good character as to justify issuance of the license or special permit or granting an exemption for purposes of subdivision (c). Except as otherwise provided in this subdivision, an exemption shall not be granted pursuant to this subdivision if the conviction was for any of the following offenses:

(A) (i) An offense specified in Section 220, 243.4, or 264.1, subdivision (a) of Section 273a or, prior to January 1, 1994, paragraph (1) of Section 273a, Section 273d, 288, or 289, subdivision (c) of Section 290, or Section 368 of the Penal Code, or was a conviction of another crime against an individual specified in subdivision (c) of Section 667.5 of the Penal Code.

(ii) Notwithstanding clause (i), the director may grant an exemption regarding the conviction for an offense described in paragraph (1), (2), (7), or (8) of subdivision (c) of Section 667.5 of the Penal Code, if the employee or prospective employee has been rehabilitated as provided in Section 4852.03 of the Penal Code, has maintained the conduct required in Section 4852.05 of the Penal Code for at least 10 years, and has the recommendation of the district attorney representing the employee's county of residence, or if the employee or prospective employee has received a certificate of rehabilitation pursuant to Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code. This clause shall not apply to foster care providers, including relative caregivers, nonrelated extended family members, or any other person specified in subdivision (b), in those homes where the individual has been convicted of an offense described in paragraph (1) of subdivision (c) of Section 667.5 of the Penal Code.

(B) A felony offense specified in Section 729 of the Business and Professions Code or Section 206 or 215, subdivision (a) of Section 347, subdivision (b) of Section 417, or subdivision (a) of Section 451, of the Penal Code.

(C) Under no circumstances shall an exemption be granted pursuant to this subdivision to any foster care provider applicant if that applicant or any other person specified in subdivision (b) in those homes, has a felony conviction for either of the following offenses:

(i) A felony conviction for child abuse or neglect, spousal abuse, crimes against a child, including child pornography, or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault and battery. For purposes of this subparagraph, a crime involving violence means any violent crime specified in clause (i) of subparagraph (A), or subparagraph (B).

(ii) A felony conviction, within the last five years, for physical assault, battery, or a drug-or alcohol-related offense.

(iii) This subparagraph shall not apply to licenses or approvals wherein a caregiver was granted an exemption to a criminal conviction described in clause (i) or (ii) before October 1, 2008.

(iv) This subparagraph shall become operative on October 1, 2008, and shall remain operative only to the extent that compliance with its provisions is required by federal law as a condition of receiving funding under Title IV-E of the federal Social Security Act (42 U.S.C. 670 and following).

(2) The department may not prohibit a person from being employed or having contact with clients in a facility on the basis of a denied criminal record exemption request or arrest information unless the department complies with the requirements of Section 1558.

(h) (1) For purposes of compliance with this section, the department may permit an individual to transfer a current criminal record clearance, as defined in subdivision (a), from one facility to another, as long as the criminal record clearance has been processed through a state licensing district office, and is being transferred to another facility licensed by a state licensing district office. The request shall be in writing to the State Department of Social Services, and shall include a copy of the person's driver's license or valid identification card issued by the Department of Motor Vehicles, or a valid photo identification issued by another state or the United States government if the person is not a California resident. Upon request of the licensee, who shall enclose a self-addressed envelope for this purpose, the State Department of Social Services shall verify whether the individual has a clearance that can be transferred.

(2) The State Department of Social Services shall hold criminal record clearances in its active files for a minimum of three years after an employee is no longer employed at a licensed facility in order for the criminal record clearance to be transferred.

(3) The following shall apply to a criminal record clearance or exemption from the department or a county office with department-delegated licensing authority:

(A) A county office with department-delegated licensing authority may accept a clearance or exemption from the department.

(B) The department may accept a clearance or exemption from any county office with department-delegated licensing authority.

(C) A county office with department-delegated licensing authority may accept a clearance or exemption from any other county office with department-delegated licensing authority.

(4) With respect to notifications issued by the Department of Justice pursuant to Section 11105.2 of the Penal Code concerning an individual whose criminal record clearance was originally processed by the department or a county office with department-delegated licensing authority, all of the following shall apply:

(A) The Department of Justice shall process a request from the department or a county office with department-delegated licensing authority to receive the notice only if all of the following conditions are met:

(i) The request shall be submitted to the Department of Justice by the agency to be substituted to receive the notification.

(ii) The request shall be for the same applicant type as the type for which the original clearance was obtained.

(iii) The request shall contain all prescribed data elements and format protocols pursuant to a written agreement between the department and the Department of Justice.

(B) (i) On or before January 7, 2005, the department shall notify the Department of Justice of all county offices that have department-delegated licensing authority.

(ii) The department shall notify the Department of Justice within 15 calendar days of the date on which a new county office receives

department-delegated licensing authority or a county's delegated licensing authority is rescinded.

(C) The Department of Justice shall charge the department, a county office with department-delegated licensing authority, or a county child welfare agency with criminal record clearance and exemption authority, a fee for each time a request to substitute the recipient agency is received for purposes of this paragraph. This fee shall not exceed the cost of providing the service.

(5) (A) A county child welfare agency with authority to secure clearances pursuant to Section 16504.5 of the Welfare and Institutions Code and to grant exemptions pursuant to Section 361.4 of the Welfare and Institutions Code may accept a clearance or exemption from another county with criminal record and exemption authority pursuant to these sections.

(B) With respect to notifications issued by the Department of Justice pursuant to Section 11105.2 of the Penal Code concerning an individual whose criminal record clearance was originally processed by a county child welfare agency with criminal record clearance and exemption authority, the Department of Justice shall process a request from a county child welfare agency with criminal record and exemption authority to receive the notice only if all of the following conditions are met:

(i) The request shall be submitted to the Department of Justice by the agency to be substituted to receive the notification.

(ii) The request shall be for the same applicant type as the type for which the original clearance was obtained.

(iii) The request shall contain all prescribed data elements and format protocols pursuant to a written agreement between the State Department of Social Services and the Department of Justice.

(i) The full criminal record obtained for purposes of this section may be used by the department or by a licensed adoption agency as a clearance required for adoption purposes.

(j) If a licensee or facility is required by law to deny employment or to terminate employment of any employee based on written notification from the state department that the employee has a prior criminal conviction or is determined unsuitable for employment under Section 1558, the licensee or facility shall not incur civil liability or unemployment insurance liability as a result of that denial or termination.

(k) The State Department of Social Services may charge a fee for the costs of processing electronic fingerprint images and related information.

(l) Amendments to this section made in the 1999 portion of the 1999–2000 Regular Session shall be implemented commencing 60 days after the effective date of the act amending this section in the 1999 portion of the 1999–2000 Regular Session, except that those provisions for the submission of fingerprints for searching the records of the Federal Bureau of Investigation shall be implemented 90 days after the effective date of that act.

SEC. 5. Section 1522.1 of the Health and Safety Code is amended to read:

1522.1. (a) Prior to granting a license to, or otherwise approving, any individual to care for or reside with children, the department shall check the Child Abuse Central Index pursuant to paragraph (4) of subdivision (b) of Section 11170 of the Penal Code. The Department of Justice shall maintain and continually update an index of reports of child abuse by providers and shall inform the department of subsequent reports received from the Child Abuse Central Index pursuant to Section 11170 of the Penal Code and the criminal history. The department shall investigate any reports received from the Child Abuse Central Index. The investigation shall include, but not be limited to, the review of the investigation report and file prepared by the child protective agency which investigated the child abuse report. The department shall not deny a license based upon a report from the Child Abuse Central Index unless child abuse or severe neglect is substantiated.

(b) For any application received on or after January 1, 2008, if any prospective licensed or certified foster parent, or adoptive parent, or any person 18 years of age or older residing in their household, has lived in another state in the preceding five years, the licensing agency or licensed adoption agency shall check that state's child abuse and neglect registry, in addition to checking the Child Abuse Central Index as provided for in subdivision (a). The department, in consultation with the County Welfare Directors Association, shall develop and promulgate the process and criteria to be used to review and consider other states' findings of child abuse or neglect.

(c) If any person in the household is 18 years of age or older and has lived in another state in the preceding five years, the department or its designated representative shall check the other state's child abuse and neglect registry to the same extent required for federal funding, in addition to checking the Child Abuse Central Index as provided for in subdivision (a), prior to granting a license to, or otherwise approving, any foster family home, certified family home, or person for whom an adoption home study is conducted or who has filed to adopt.

SEC. 6. Section 1524 of the Health and Safety Code is amended to read:

1524. A license shall be forfeited by operation of law when one of the following occurs:

(b) The licensee surrenders the license to the department.

(c) (1) The licensee moves a facility from one location to another. The department shall develop regulations to ensure that the facilities are not charged a full licensing fee and do not have to complete the entire application process when applying for a license for the new location.

(2) This subdivision shall not apply to a licensed foster family home, a home certified by a licensed foster family agency, or a home approved pursuant to Sections 309, 361.4, and 361.45 of the Welfare and Institutions Code. When a foster family home licensee, certified home parent, or a person

approved to care for children pursuant to Sections 309, 361.4, and 361.45 of the Welfare and Institutions Code moves to a new location, the existing license, certification, or approval may be transferred to the new location. All caregivers to whom this paragraph applies shall be required to meet all applicable licensing laws and regulations at the new location.

(d) The licensee is convicted of an offense specified in Section 220, 243.4, or 264.1, or paragraph (1) of Section 273a, Section 273d, 288, or 289 of the Penal Code, or is convicted of another crime specified in subdivision (c) of Section 667.5 of the Penal Code.

(e) The licensee dies. If an adult relative notifies the department of his or her desire to continue operation of the facility and submits an application, the department shall expedite the application. The department shall promulgate regulations for expediting applications submitted pursuant to this subdivision.

(f) The licensee abandons the facility.

(g) When the certification issued by the State Department of Developmental Services to a licensee of an Adult Residential Facility for Persons with Special Health Care Needs, licensed pursuant to Article 9 (commencing with Section 1567.50), is rescinded.

1551. (a) Proceedings for the suspension, revocation, or denial of a license, registration, special permit, or any administrator certificate under this chapter, or denial of transfer of a license pursuant to paragraph (2) of subdivision (c) of Section 1524, shall be conducted in accordance with

Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the department shall have all the powers granted by those provisions. In the event of conflict between this chapter and the Government Code, the Government Code shall prevail.

(b) In all proceedings conducted in accordance with this section, the standard of proof to be applied shall be by the preponderance of the evidence.

(c) If the license is not temporarily suspended pursuant to Section 1550, the hearing shall be held within 90 calendar days after receipt of the notice of defense, unless a continuance of the hearing is granted by the department or the administrative law judge. When the matter has been set for hearing only the administrative law judge may grant a continuance of the hearing. The administrative law judge may, but need not, grant a continuance of the hearing only upon finding the existence of one or more of the following:

(1) The death or incapacitating illness of a party, a representative or attorney of a party, a witness to an essential fact, or of the parent, child, or member of the household of such person, when it is not feasible to substitute another representative, attorney, or witness because of the proximity of the hearing date.

(2) Lack of notice of hearing as provided in Section 11509 of the Government Code.

(3) A material change in the status of the case where a change in the parties or pleadings requires postponement, or an executed settlement or stipulated findings of fact obviate the need for hearing. A partial amendment of the pleadings shall not be good cause for continuance to the extent that the unamended portion of the pleadings is ready to be heard.

(4) A stipulation for continuance signed by all parties or their authorized representatives, including, but not limited to, a representative, which is communicated with the request for continuance to the administrative law judge no later than 25 business days before the hearing.

(5) The substitution of the representative or attorney of a party upon showing that the substitution is required.

(6) The unavailability of a party, representative, or attorney of a party, or witness to an essential fact due to a conflicting and required appearance in a judicial matter if when the hearing date was set, the person did not know and could neither anticipate nor at any time avoid the conflict, and the conflict with request for continuance is immediately communicated to the administrative law judge.

(7) The unavailability of a party, a representative or attorney of a party, or a material witness due to an unavoidable emergency.

(8) Failure by a party to comply with a timely discovery request if the continuance request is made by the party who requested the discovery.

(7) Hospital scan teams. As used in this paragraph, “hospital scan team” means a team of three or more persons established by a hospital, or two or more hospitals in the same county, consisting of health care professionals and representatives of law enforcement and child protective services, the members of which are engaged in the identification of child abuse or neglect. The disclosure authorized by this section includes disclosure among all hospital scan teams.

(8) Coroners and medical examiners when conducting a post mortem examination of a child.

(9) The Board of Parole Hearings, which may subpoena an employee of a county welfare department who can provide relevant evidence and reports that both (A) are not unfounded, pursuant to Section 11165.12, and (B) concern only the current incidents upon which parole revocation proceedings are pending against a parolee charged with child abuse or neglect. The reports and information shall be confidential pursuant to subdivision (d) of Section 11167.

The request shall be signed by the department supervisor of the requesting law enforcement agency. The written request shall cite the out-of-state statute or interstate compact provision that requires that the information contained within these reports is to be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and shall cite the safeguards in place to prevent unlawful disclosure provided by the requesting state or the applicable interstate compact provision.

(13) Out-of-state agencies responsible for approving prospective foster or adoptive parents for placement of a child only when the agency makes the request in compliance with the Adam Walsh Child Protection and Safety Act of 2006 (Public Law 109-248). Any information received pursuant to this subdivision is protected by subdivision (e).

(d) Nothing in this section requires the Department of Justice to disclose information contained in records maintained under Section 11170 or under

the regulations promulgated pursuant to Section 11174, except as otherwise provided in this article.

(e) This section shall not be interpreted to allow disclosure of any reports or records relevant to the reports of child abuse or neglect if the disclosure would be prohibited by any other provisions of state or federal law applicable to the reports or records relevant to the reports of child abuse or neglect.

SEC. 10. Section 11170 of the Penal Code is amended to read:

11170. (a) (1) The Department of Justice shall maintain an index of all reports of child abuse and severe neglect submitted pursuant to Section 11169. The index shall be continually updated by the department and shall not contain any reports that are determined to be unfounded. The department may adopt rules governing recordkeeping and reporting pursuant to this article.

(2) The department shall act only as a repository of reports of suspected child abuse and severe neglect to be maintained in the Child Abuse Central Index pursuant to paragraph (1). The submitting agencies are responsible for the accuracy, completeness, and retention of the reports described in this section. The department shall be responsible for ensuring that the Child Abuse Central Index accurately reflects the report it receives from the submitting agency.

(3) Information from an inconclusive or unsubstantiated report filed pursuant to subdivision (a) of Section 11169 shall be deleted from the Child Abuse Central Index after 10 years if no subsequent report concerning the same suspected child abuser is received within that time period. SEC. 11. Section 309 of the Welfare and Institutions Code is amended to read:

309. (a) Upon delivery to the social worker of a child who has been taken into temporary custody under this article, the social worker shall immediately investigate the circumstances of the child and the facts surrounding the child's being taken into custody and attempt to maintain the child with the child's family through the provision of services. The social worker shall immediately release the child to the custody of the child's parent, guardian, or responsible relative unless one or more of the following conditions exist:

(1) The child has no parent, guardian, or responsible relative; or the child's parent, guardian, or responsible relative is not willing to provide care for the child.

(2) Continued detention of the child is a matter of immediate and urgent necessity for the protection of the child and there are no reasonable means by which the child can be protected in his or her home or the home of a responsible relative.

(3) There is substantial evidence that a parent, guardian, or custodian of the child is likely to flee the jurisdiction of the court.

(4) The child has left a placement in which he or she was placed by the juvenile court.

(5) The parent or other person having lawful custody of the child voluntarily surrendered physical custody of the child pursuant to Section 1255.7 of the Health and Safety Code and did not reclaim the child within the 14-day period specified in subdivision (e) of that section.

(b) In any case in which there is reasonable cause for believing that a child who is under the care of a physician or surgeon or a hospital, clinic, or other medical facility and cannot be immediately moved and is a person described in Section 300, the child shall be deemed to have been taken into temporary custody and delivered to the social worker for the purposes of this chapter while the child is at the office of the physician or surgeon or the medical facility.

(c) If the child is not released to his or her parent or guardian, the child shall be deemed detained for purposes of this chapter.

(d) (1) If an able and willing relative, as defined in Section 319, or an able and willing nonrelative extended family member, as defined in Section 362.7, is available and requests temporary placement of the child pending the detention hearing, the county welfare department shall initiate an assessment of the relative's or nonrelative extended family member's suitability, which shall include an in-home inspection to assess the safety of the home and the ability of the relative or nonrelative extended family member to care for the child's needs, and a consideration of the results of a criminal records check conducted pursuant to subdivision (a) of Section 16504.5 and a check of allegations of prior child abuse or neglect concerning the relative or nonrelative extended family member and other adults in the

home. Upon completion of this assessment, the child may be placed in the assessed home. For purposes of this paragraph, and except for the criminal records check conducted pursuant to subdivision (a) of Section 16504.5, the standards used to determine suitability shall be the same standards set forth in the regulations for the licensing of foster family homes.

(2) Immediately following the placement of a child in the home of a relative or a nonrelative extended family member, the county welfare department shall evaluate and approve or deny the home for purposes of AFDC-FC eligibility pursuant to Section 11402. The standards used to evaluate and grant or deny approval of the home of the relative and of the home of a nonrelative extended family member, as described in Section 362.7, shall be the same standards set forth in regulations for the licensing of foster family homes which prescribe standards of safety and sanitation for the physical plant and standards for basic personal care, supervision, and services provided by the caregiver.

(3) To the extent allowed by federal law, as a condition of receiving funding under Title IV-E of the federal Social Security Act (42 U.S.C. Sec. 670 et seq.), if a relative or nonrelative extended family member meets all other conditions for approval, except for the receipt of the Federal Bureau of Investigation's criminal history information for the relative or nonrelative extended family member, and other adults in the home, as indicated, the county welfare department may approve the home and document that approval, if the relative or nonrelative extended family member, and each adult in the home, has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after the approval has been granted, the department determines that the relative or nonrelative extended family member or other adult in the home has a criminal record, the approval may be terminated.

(4) If the criminal records check indicates that the person has been convicted of a crime for which the Director of Social Services cannot grant an exemption under Section 1522 of the Health and Safety Code, the child shall not be placed in the home. If the criminal records check indicates that the person has been convicted of a crime for which the Director of Social Services may grant an exemption under Section 1522 of the Health and Safety Code, the child shall not be placed in the home unless a criminal records exemption has been granted by the county based on substantial and convincing evidence to support a reasonable belief that the person with the criminal conviction is of such good character as to justify the placement and not present a risk of harm to the child.

SEC. 12. Section 361.4 of the Welfare and Institutions Code is amended to read:

361.4. (a) Prior to placing a child in the home of a relative, or the home of any prospective guardian or other person who is not a licensed or certified foster parent, the county social worker shall visit the home to ascertain the appropriateness of the placement.

(b) Whenever a child may be placed in the home of a relative, or the home of any prospective guardian or other person who is not a licensed or certified foster parent, the court or county social worker placing the child shall cause a state-level criminal records check to be conducted by an appropriate government agency through the California Law Enforcement Telecommunications System (CLETS) pursuant to Section 16504.5. The criminal records check shall be conducted with regard to all persons over 18 years of age living in the home, and on any other person over 18 years of age, other than professionals providing professional services to the child, known to the placing entity who may have significant contact with the child, including any person who has a familial or intimate relationship with any person living in the home. A criminal records check may be conducted pursuant to this section on any person over 14 years of age living in the home who the county social worker believes may have a criminal record. Within 10 calendar days following the criminal records check conducted through the California Law Enforcement Telecommunications System, the social worker shall ensure that a fingerprint clearance check of the relative and any other person whose criminal record was obtained pursuant to this subdivision is initiated through the Department of Justice to ensure the accuracy of the criminal records check conducted through the California Law Enforcement Telecommunications System and shall review the results of any criminal records check to assess the safety of the home. The Department of Justice shall forward fingerprint requests for federal-level criminal history information to the Federal Bureau of Investigation pursuant to this section.

(c) Whenever a child may be placed in the home of a relative, or a prospective guardian or other person who is not a licensed or certified foster parent, the county social worker shall cause a check of the Child Abuse Central Index pursuant to subdivision (a) of Section 11170 of the Penal Code to be requested from the Department of Justice. The Child Abuse Central Index check shall be conducted on all persons over 18 years of age living in the home. For any application received on or after January 1, 2008, if any person in the household is 18 years of age or older and has lived in another state in the preceding five years, the county social worker shall check the other state's child abuse and neglect registry to the extent required by federal law.

(d) (1) If the results of the California and federal criminal records check indicates that the person has no criminal record, the county social worker and court may consider the home of the relative, prospective guardian, or other person who is not a licensed or certified foster parent for placement of a child.

(2) If the criminal records check indicates that the person has been convicted of a crime that the Director of Social Services cannot grant an exemption for under Section 1522 of the Health and Safety Code, the child may not be placed in the home. If the criminal records check indicates that the person has been convicted of a crime that the Director of Social Services may grant an exemption for under Section 1522 of the Health and Safety

Code, the child may not be placed in the home unless a criminal records exemption has been granted by the county, based on substantial and convincing evidence to support a reasonable belief that the person with the criminal conviction is of such good character as to justify the placement and not present a risk of harm to the child pursuant to paragraph (3).

(3) (A) A county may issue a criminal records exemption only if that county has been granted permission by the Director of Social Services to issue criminal records exemptions. The county may file a request with the Director of Social Services seeking permission for the county to establish a procedure to evaluate and grant appropriate individual criminal records exemptions for persons described in subdivision (b). The director shall grant or deny the county's request within 14 days of receipt. The county shall evaluate individual criminal records in accordance with the standards and limitations set forth in paragraph (1) of subdivision (g) of Section 1522 of the Health and Safety Code, and in no event shall the county place a child in the home of a person who is ineligible for an exemption under that provision.

(B) The department shall monitor county implementation of the authority to grant an exemption under this paragraph to ensure that the county evaluates individual criminal records and allows or disallows placements according to the standards set forth in paragraph (1) of subdivision (g) of Section 1522 of the Health and Safety Code.

(4) The department shall conduct an evaluation of the implementation of paragraph (3) through random sampling of county exemption decisions.

(5) The State Department of Social Services shall not evaluate or grant criminal records exemption requests for persons described in subdivision (b), unless the exemption request is made by an Indian tribe pursuant to subdivision (f).

(6) If a county has not requested, or has not been granted, permission by the State Department of Social Services to establish a procedure to evaluate and grant criminal records exemptions, the county may not place a child into the home of a person described in subdivision (b) if any person residing in the home has been convicted of a crime other than a minor traffic violation, except as provided in subdivision (f).

(e) Nothing in this section shall preclude a county from conducting a criminal background check that the county is otherwise authorized to conduct using fingerprints.

(f) Upon request from an Indian tribe, the State Department of Social Services shall evaluate an exemption request, if needed, to allow placement into an Indian home that the tribe has designated for placement under the Indian Child Welfare Act (25 U.S.C. Sec. 1901 et seq.) that would otherwise be barred under this section. However, if the county with jurisdiction over the child that is the subject of the tribe's request has established an approved procedure pursuant to paragraph (3) of subdivision (d), the tribe may request that the county evaluate the exemption request. Once a tribe has elected to have the exemption request reviewed by either the State Department of Social Services or the county, the exemption decision may only be made

by that entity. Nothing in this subdivision limits the duty of a county social worker to evaluate the home for placement or to gather information needed to evaluate an exemption request.

(g) This section shall remain in effect only until January 1, 2010, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2010, deletes or extends that date.

SEC. 13. Section 16501.1 of the Welfare and Institutions Code is amended to read:

16501.1. (a) (1) The Legislature finds and declares that the foundation and central unifying tool in child welfare services is the case plan.

(2) The Legislature further finds and declares that a case plan ensures that the child receives protection and safe and proper care and case management, and that services are provided to the child and parents or other caretakers, as appropriate, in order to improve conditions in the parent's home, to facilitate the safe return of the child to a safe home or the permanent placement of the child, and to address the needs of the child while in foster care.

(b) (1) A case plan shall be based upon the principles of this section and shall document that a preplacement assessment of the service needs of the child and family, and preplacement preventive services, have been provided, and that reasonable efforts to prevent out-of-home placement have been made.

(2) In determining the reasonable services to be offered or provided, the child's health and safety shall be the paramount concerns.

(3) Reasonable services shall be offered or provided to make it possible for a child to return to a safe home environment, unless, pursuant to subdivisions (b) and (e) of Section 361.5, the court determines that reunification services shall not be provided.

(4) If reasonable services are not ordered, or are terminated, reasonable efforts shall be made to place the child in a timely manner in accordance with the permanent plan and to complete all steps necessary to finalize the permanent placement of the child.

(c) (1) If out-of-home placement is used to attain case plan goals, the decision regarding choice of placement shall be based upon selection of a safe setting that is the least restrictive or most familylike and the most appropriate setting that is available and in close proximity to the parent's home, proximity to the child's school, consistent with the selection of the environment best suited to meet the child's special needs and best interests, or both. The selection shall consider, in order of priority, placement with relatives, tribal members, and foster family, group care, and residential treatment pursuant to Section 7950 of the Family Code.

(2) In addition to the requirements of paragraph (1), and taking into account other statutory considerations regarding placement, the selection of the most appropriate home that will meet the child's special needs and best interests shall also promote educational stability by taking into consideration proximity to the child's school attendance area.

(d) A written case plan shall be completed within a maximum of 60 days of the initial removal of the child or of the in-person response required under subdivision (f) of Section 16501 if the child has not been removed from his or her home, or by the date of the dispositional hearing pursuant to Section 358, whichever occurs first. The case plan shall be updated, as the service needs of the child and family dictate. At a minimum, the case plan shall be updated in conjunction with each status review hearing conducted pursuant to Section 366.21, and the hearing conducted pursuant to Section 366.26, but no less frequently than once every six months. Each updated case plan shall include a description of the services that have been provided to the child under the plan and an evaluation of the appropriateness and effectiveness of those services.

(1) It is the intent of the Legislature that extending the maximum time available for preparing a written case plan from 30 to 60 days will afford caseworkers time to actively engage families, and to solicit and integrate into the case plan the input of the child and the child's family, as well as the input of relatives and other interested parties.

(2) The extension of the maximum time available for preparing a written case plan from the 30 to 60 days shall be effective 90 days after the date that the department gives counties written notice that necessary changes have been made to the Child Welfare Services Case Management System to account for the 60-day timeframe for preparing a written case plan.

(e) The child welfare services case plan shall be comprehensive enough to meet the juvenile court dependency proceedings requirements pursuant to Article 6 (commencing with Section 300) of Chapter 2 of Part 1 of Division 2.

(f) The case plan shall be developed as follows:

(1) The case plan shall be based upon an assessment of the circumstances that required child welfare services intervention. The child shall be involved in developing the case plan as age and developmentally appropriate.

(2) The case plan shall identify specific goals and the appropriateness of the planned services in meeting those goals.

(3) The case plan shall identify the original allegations of abuse or neglect, as defined in Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code, or the conditions cited as the basis for declaring the child a dependent of the court pursuant to Section 300, or all of these, and the other precipitating incidents that led to child welfare services intervention.

(4) The case plan shall include a description of the schedule of the social worker contacts with the child and the family or other caretakers. The frequency of these contacts shall be in accordance with regulations adopted by the State Department of Social Services. If the child has been placed in foster care out of state, the county social worker or a social worker on the staff of the social services agency in the state in which the child has been placed shall visit the child in a foster family home or the home of a relative, consistent with federal law and in accordance with the department's approved state plan. For children in out-of-state group home facilities, visits shall be

conducted at least monthly, pursuant to Section 16516.5. At least once every six months, at the time of a regularly scheduled social worker contact with the foster child, the child's social worker shall inform the child of his or her rights as a foster child, as specified in Section 16001.9. The social worker shall provide the information to the child in a manner appropriate to the age or developmental level of the child.

(5) (A) When out-of-home services are used, the frequency of contact between the natural parents or legal guardians and the child shall be specified in the case plan. The frequency of those contacts shall reflect overall case goals, and consider other principles outlined in this section.

(B) Information regarding any court-ordered visitation between the child and the natural parents or legal guardians, and the terms and conditions needed to facilitate the visits while protecting the safety of the child, shall be provided to the child's out-of-home caregiver as soon as possible after the court order is made.

(6) When out-of-home placement is made, the case plan shall include provisions for the development and maintenance of sibling relationships as specified in subdivisions (b), (c), and (d) of Section 16002. If appropriate, when siblings who are dependents of the juvenile court are not placed together, the social worker for each child, if different, shall communicate with each of the other social workers and ensure that the child's siblings are informed of significant life events that occur within their extended family. Unless it has been determined that it is inappropriate in a particular case to keep siblings informed of significant life events that occur within the extended family, the social worker shall determine the appropriate means and setting for disclosure of this information to the child commensurate with the child's age and emotional well-being. These significant life events shall include, but shall not be limited to, the following:

(A) The death of an immediate relative.

(B) The birth of a sibling.

(C) Significant changes regarding a dependent child, unless the child objects to the sharing of the information with his or her siblings, including changes in placement, major medical or mental health diagnoses, treatments, or hospitalizations, arrests, and changes in the permanent plan.

(7) If out-of-home placement is made in a foster family home, group home, or other child care institution that is either a substantial distance from the home of the child's parent or out of state, the case plan shall specify the reasons why that placement is in the best interest of the child. When an out-of-state group home placement is recommended or made, the case plan shall, in addition, specify compliance with Section 7911.1 of the Family Code.

(8) (A) If out-of-home services are used, or if parental rights have been terminated and the case plan is placement for adoption, the case plan shall include a recommendation regarding the appropriateness of unsupervised visitation between the child and any of the child's siblings. This recommendation shall include a statement regarding the child's and the siblings' willingness to participate in unsupervised visitation. If the case

plan includes a recommendation for unsupervised sibling visitation, the plan shall also note that information necessary to accomplish this visitation has been provided to the child or to the child's siblings.

(B) Information regarding the schedule and frequency of the visits between the child and siblings, as well as any court-ordered terms and conditions needed to facilitate the visits while protecting the safety of the child, shall be provided to the child's out-of-home caregiver as soon as possible after the court order is made.

(9) If out-of-home services are used and the goal is reunification, the case plan shall describe the services to be provided to assist in reunification and the services to be provided concurrently to achieve legal permanency if efforts to reunify fail. The plan shall also consider in-state and out-of-state placements, the importance of developing and maintaining sibling relationships pursuant to Section 16002, and the desire and willingness of the caregiver to provide legal permanency for the child if reunification is unsuccessful.

(10) If out-of-home services are used, the child has been in care for at least 12 months, and the goal is not adoptive placement, the case plan shall include documentation of the compelling reason or reasons why termination of parental rights is not in the child's best interest. A determination completed or updated within the past 12 months by the department when it is acting as an adoption agency or by a licensed adoption agency that it is unlikely that the child will be adopted, or that one of the conditions described in paragraph (1) of subdivision (c) of Section 366.26 applies, shall be deemed a compelling reason.

(11) (A) Parents and legal guardians shall have an opportunity to review the case plan, and to sign it whenever possible, and then shall receive a copy of the plan. In any voluntary service or placement agreement, the parents or legal guardians shall be required to review and sign the case plan. Whenever possible, parents and legal guardians shall participate in the development of the case plan.

(B) Parents and legal guardians shall be advised that, pursuant to Section 1228.1 of the Evidence Code, neither their signature on the child welfare services case plan nor their acceptance of any services prescribed in the child welfare services case plan shall constitute an admission of guilt or be used as evidence against the parent or legal guardian in a court of law. However, they shall also be advised that the parent's or guardian's failure to cooperate, except for good cause, in the provision of services specified in the child welfare services case plan may be used in any hearing held pursuant to Section 366.21 or 366.22 as evidence.

(12) A child shall be given a meaningful opportunity to participate in the development of the case plan and state his or her preference for foster care placement. A child who is 12 years of age or older and in a permanent placement shall also be given the opportunity to review the case plan, sign the case plan, and receive a copy of the case plan.

(13) The case plan shall be included in the court report and shall be considered by the court at the initial hearing and each review hearing.

Modifications to the case plan made during the period between review hearings need not be approved by the court if the casework supervisor for that case determines that the modifications further the goals of the plan. If out-of-home services are used with the goal of family reunification, the case plan shall consider and describe the application of subdivision (b) of Section 11203.

(14) If the case plan has as its goal for the child a permanent plan of adoption or placement in another permanent home, it shall include a statement of the child's wishes regarding their permanent placement plan and an assessment of those stated wishes. The agency shall also include documentation of the steps the agency is taking to find an adoptive family or other permanent living arrangements for the child; to place the child with an adoptive family, an appropriate and willing relative, a legal guardian, or in another planned permanent living arrangement; and to finalize the adoption or legal guardianship. At a minimum, the documentation shall include child-specific recruitment efforts, such as the use of state, regional, and national adoption exchanges, including electronic exchange systems, when the child has been freed for adoption.

(15) When appropriate, for a child who is 16 years of age or older, the case plan shall include a written description of the programs and services that will help the child, consistent with the child's best interests, prepare for the transition from foster care to independent living. The case plan shall be developed with the child and individuals identified as important to the child, and shall include steps the agency is taking to ensure that the child has a connection to a caring adult.

(g) If the court finds, after considering the case plan, that unsupervised sibling visitation is appropriate and has been consented to, the court shall order that the child or the child's siblings, the child's current caregiver, and the child's prospective adoptive parents, if applicable, be provided with information necessary to accomplish this visitation. This section does not require or prohibit the social worker's facilitation, transportation, or supervision of visits between the child and his or her siblings.

(h) The case plan documentation on sibling placements required under this section shall not require modification of existing case plan forms until the Child Welfare Services Case Management System is implemented on a statewide basis.

(i) When a child who is 10 years of age or older and who has been in out-of-home placement for six months or longer, the case plan shall include an identification of individuals, other than the child's siblings, who are important to the child and actions necessary to maintain the child's relationship with those individuals, provided that those relationships are in the best interest of the child. The social worker shall ask every child who is 10 years of age or older and who has been in out-of-home placement for six months or longer to identify individuals other than the child's siblings who are important to the child, and may ask any other child to provide that information, as appropriate. The social worker shall make efforts to identify

other individuals who are important to the child, consistent with the child's best interests.

(j) The child's caregiver shall be provided a copy of a plan outlining the child's needs and services.

(k) On or before June 30, 2008, the department, in consultation with the County Welfare Directors Association and other advocates, shall develop a comprehensive plan to ensure that 90 percent of foster children are visited by their caseworkers on a monthly basis by October 1, 2011, and that the majority of the visits occur in the residence of the child. The plan shall include any data reporting requirements necessary to comply with the provisions of the federal Child and Family Services Improvement Act of 2006 (Public Law 109-288).

(l) The implementation and operation of the amendments to subdivision (i) enacted at the 2005–06 Regular Session shall be subject to appropriation through the budget process and by phase, as provided in Section 366.35.
